tables.

Introducing our collection of tables designed to elevate your space with versatility, style and functionality.

From conference rooms to dining areas, each table in our collection showcases meticulous craftsmanship and attention to detail. Whether you prefer a sleek and contemporary design or a more timeless and elegant aesthetic, our tables offer a range of styles to complement your space and reflect your unique taste.

Visit our website to view our full table range.

H2 tables

The H2 Table collection offers a wide choice of table heights, shapes and finish options.

The unusual shape of H2 tables breaks the office convention. They attract attention with the dainty, graphic form of the base. Minimalism is universal. The tables fill up and complement spaces with any aesthetic qualities, from modern to classic interiors. They easily match practically every type of seat. Despite their optical delicacy, the design of the tables retains the required rigidity, even with the application of tops of considerable sizes.
